

Gorilla Exploration and Kenyan Wildlife

₹2,95,000

15 days

All Months

DAY 1: WELCOME TO KENYA!

Welcome to Kenya! Upon arrival in Nairobi, our representative will collect you and transfer you to your hotel in Kenya. Since arrival is late evening, the day ends after drop off to hotel.

DAY 2: JOURNEY TO MASAI MARA

Travel after breakfast for Masai Mara National Reserve. This incredible reserve has it all - wildebeest, lion, cheetah, giraffe, and other herbivores. Today we do an evening game drive in search of the Big Five.

DAY 3: MORNING GAME DRIVE & MASAI TRIBE VISIT

Leave in the early morning for the 2nd Game Drive, if lucky you may spot all of the Big Five and if travelling in the peak months of July and August, you will witness the Great Migration. In the afternoon, we visit the Local Masai tribe and learn about the lifestyle, history and also witness their cultural performance.

DAY 4 & 5: ELDORET

We leave Masai Mara early today passing through the Tea Plantations of Jericho and later descend into the Rift Valley Plateau to arrive into Eldoret. Along the way, several pitstops of natural beauty to be seen. Overnight in Eldoret. The next day we cross and enter into Uganda where we station ourselves overnight in Kampala.

DAY 6-9: GORILLA TREKKING

We arrive into Lake Bunyonyi- the deepest crater lake in Africa- home to a large number of Birds. From here on, we proceed to trek up the hills of Bwindi or Mgahinga dependant on where the gorillas are. On the trek, we will be accompanied by trained rangers as we walk through the dense jungle in search of the mighty mountain gorilla. Seeing them in their natural habitat is an enlightening experience.

DAY 10: KAMPALA

Today we leave to drive towards Kampala. Midway we cross the Equator. The day is reserved for you to explore the capital city.

DAY 11: JINJA

Today we leave Kampala to move ahead to Jinja. In Jinja, lies a mutiple set of activities to choose from! One we recommend is the White Water Rafting. Ride through the flowing river and build memories for life.

DAY 12: TO LAKE NAKURU

We cross back to Kenya today and arrive into Lake Nakuru. It is home to several species like the Black Rhino, Lion, Leopard, Zebra, Antelope and Giraffe. Today we enjoy an evening game drive.

DAY 13: GAME DRIVE DAY

We explore the lake and its surroundings today in a morning game drive and a Sunset Game Drive. Possibly spotting multiple big cats and other wildlife in its natural form.

DAY 14: TO LAKE NAIVASHA

Another big Rift Valley lake is the Lake Naivasha. It is actually a freshwater lake and thus a sanctuary for bird life. Game drive in the evening today.

DAY 15: JOURNEY BACK HOME

After the morning breakfast, we head away to the Nairobi airport for our flight back home.
